Thanks all for your initial comments thus far! I went through and started addressing some of them in the SP site.

Subject: Draft CEA options paper

Hi all,

Hope you are well. I apologize this took so long, but please find attached a draft options paper that

Ex. 5 AC/DP

if you could please provide edits directly into the "SP" document, that'd be terrific! As far as timing, **would edits by COB next Wednesday work for everyone?** Let me know if you have other thoughts on timing whether it be more time or less.

Ex. 5 AC/DP

Let me know if it'd be easier to re-group with a follow-up call, etc. or if you have any questions.

Thanks!

Mai Denawa
